The Amazing Air Adventure

presented by
**Hiller Aviation
Museum**

Kids can journey into the realm of air travel and view up close a BD-5 aircraft with a wingspan of 18 feet! It'll fascinate even the littlest of aviators.

Plus kids can participate in a make and take project, building their very own wooden glider to launch at home. So, BUCKLE UP....you're headed for an experience above and beyond!

Hillsdale Kid's Club is sponsored by:
